Dear Sir,

We are pleased to offer you a **special 20% discount** on this order as a token of appreciation for being a valued customer. This is an exclusive concession, and kindly note that pricing may be revised in future orders or shipments.

Our products are designed to deliver superior energy efficiency and reliable performance, ensuring long-term savings and smooth operation. As you have already experienced the quality of our systems, we are confident that the results will continue to meet your expectations.

This offer provides excellent value without compromising on quality.

Please note: All prices listed are exclusive of installation service charges. Customers may either arrange their own installer or pay an additional fee for our installation service.

Account Details for Payments Please
Share payment receipt on whatsapp
after the payment
