Dear Sir,

We are pleased to offer you a 7% flat discount on your order. While we typically provide a 5% discount, we've extended this special offer as a token of appreciation for being a valued recurring customer. Our product offers superior energy efficiency and enhanced performance, ensuring long-term savings and reliable operation. Having already experienced the exceptional performance of our products, I am confident that once you see the results, any concerns about price will quickly fade. This offer provides exceptional value without compromising on quality.
